Rank Foolishness. You occasionally see it stated that colds do not result from cold weather. That is rank foolishness. Were it true colds would be as prevalent in midsummer as in midwinter. The microbe that causes colds flourishes in damp, cold weather. To get rid of a cold take Chamberlain's Cough Remedy. It is effective and is highly recommended by people who have used it for many years as a remedy required, and know its real value. Obtainable everywhere. (Advertisement.)

SHOOTS SELF AFTER  
BROODING OVER HIS  
DEPLETED FINANCES

James Schultz, Recently Returned to Bisbee After Many Years' Absence, Sends Bullet Through Heart.

Using an old-fashioned 44-calibre gun of the frontier type, James Schultz aged about 38, ended his life shortly after 9:30 o'clock last evening, while in his bed at his room at Doyle's rooming house on Tombstone Canyon. Death was instantaneous, the bullet piercing the heart and entirely demolishing that organ, then penetrating the mattress and entering the floor. A note left by Schultz indicated that dependency over financial embarrassment through long lack of employment was the cause of his act.

A jury empaneled by Coroner Tolman viewed the remains. Inquest will be held Monday afternoon at 4:30. Schultz left a wife and little daughter in Ocean Park, Calif.

Schultz was a member of the Bisbee Lodge of Elks No. 671, but was little known by present members as he had not been in the district for many years prior to his return three days ago. He was prominent among old-timers, having resided about fourteen years in the district.

Although Schultz went to work for one of the Copper Queen mines two days ago, apparently his financial

problems had preyed upon his mind. In a note explaining his act, it is understood that Schultz stated that he was without funds and would not be, as he had never "mooched." The note also contained an apology to the proprietor of the rooming house for committing the act there.
